

8V2001N

Step up to the tough and dependable RoofPro445XP coilnailer. It's loaded with the features you asked for, yet is light enough for one-handed operations for both new roofs and reroofing. Also for attaching waterproof tar paper, metal drip edges, insulation board and with an optional attachment for vinyl and aluminum siding. Simply the best roofing nailer money can buy.

APPLICATIONS

Asphalt shingles, fiber glass shingles, insulation boards, siding

FEATURES

- Side steel wearplates
- Comfort grip
- Tool-free depth-of-drive
- Guidance jaws
